

Mobile Application

FOR iOS AND ANDROID

MANAGE YOUR ACCOUNT ON THE GO WITH THE 24HOURFLEX MOBILE APP!

If you have a Flexible Spending Account (FSA), a Health Savings Account (HSA), and/or a Health Reimbursement Account (HRA), the 24HourFlex mobile app is the fastest, most convenient way for you to access and manage your account, keeping you up-to-date on your expenses and account details without slowing you down. You can even file claims and upload receipts by simply taking a picture of your statement!

What can you do with the Mobile App?

- ✓ View Account Activity
- ✓ Make HSA Distributions
- ✓ Check Card Status
- ✓ Submit Receipts
- ✓ File Claims
- ✓ Update Notifications

Download the Mobile App

• • •

- Using your mobile device, go to the App Store (Apple) or Google Play Store (Android).
- Search for “24HourFlex Mobile.”
- Download the 24HourFlex Mobile app. A shortcut will automatically be created on the home screen of your mobile device.

Log In to the Mobile App

• • •

If you have never logged in to your account via computer or mobile app, your login credentials will be the following:

- Username:** The first letter of your first name + your full last name + the last four digits of your social security number.
- Password:** The last four digits of your social security number.

For example, a participant named John Smith with a social security number of xxxx-xx-1234 will have a username of JSmith1234 and a password of 1234.

Once you have logged in, please create a new, unique username and password for your account.

For more details on how to use the 24HourFlex Mobile app, visit our employee training page on our website at 24hourflex.com/category/employee-training.
