2:2 updates

Questions about the
80-20 Rule.docx

What Are
Competencies - SFAC

What are Competencies?

Will be a project for all disciplines at the next 2:2.

What would be the best way to get this project started and give faculty time for preparation.

Competency statements are often too broad and need to be broken down into more specifics.

Need clear definitions of what SFCC expects the competencies to be called, ie: objectives, sub-competencies, etc.

Invite all Discipline Chairs to a meeting prior to the 2:2 to explain the project.

Would a speaker be helpful? Keep a speaker to a minimum time frame. Possibly bring the speaker in prior to the 2:2 and work closely with the Discipline Chairs.

Create scenarios to help guide faculty to creating clear competencies.

Provide an online component for those who can't attend 2:2, in addition, to helping prepare.

Make it clear that groups understand they are not responsible for getting every class in one day. Do provide deadlines for when this project must be completed.

Provide as much information ahead of time so the time spent at the 2:2 is well spent.

LinkedIn has a new component titled "Skillful." Employers are committed to competency based hiring.

80/20 Rule

The way the 80/20 rule is defined now may not necessarily be interpreted or understood the same at all institutions. Hence the classes may be very different from one another.

Get the faculty to agree on a core set of "competencies" that all faculty teach.

Be clear about what students must learn. So employers and other (transfer) institutions understand what students should know.

Change our format/form so it is clear and defines expectations.

Sterile Instrument Processing, Mark Urso, Aims

SFCC 5.13.16 BB.xlsx

NUA 174 Tabled - Competency #10 begins with Illustrate, change to Identify. This course is not part of any certification, this course is for someone interested in acute care. Local advisory board requested this course. Are we teaching students something not in their scope, that can't be delegated? Course sent back for re-writes.

IPP 225 Approved

IPP 227 Approved

IPP 235 Approved

ELS 101 Approved, Change: Expand the traditional role of..., remove first 2 words of the course description and change competency #2 from Learn to Demonstrate.

HPR 208 Approved title change of Medical Record terminology.

AVT Courses

AVT courses created, not to design drones, but to teach students all about drones and how to fly them safely. Proposing to add these course into a new certificate. Used in agriculture. Precision Ag Program.

AVT 155 Approved. VPI’s are beginning to question minimal number of competencies. This course only has 2 competencies for a 3 credit class. The second competency appears to have multiple competencies condensed into one.

AVT 156 Approved. Topical Outline V, actual guideline mentioned.

AVT 255 Approved

AVT 256 Approved

BAS Applied Supervision and Management Degree

The idea is any student could come from any AAS to this degree.

The student must have an AAS.

Accounting is still considered a CTE course, it may be difficult to add this course as a General Education course. It would need to become a GT course in order for it to be considered.

19 credits of General Education proposed.

Added 2 Capstone course, taken after each year.

MCC questions – Carol Kuper

How do other institutions list CCC-Online courses, even if they are not offered on our campuses? Included in the catalog. Policy is not to offer any course that is not listed in your catalog. Let CCC-Online know whether you want the list in your catalog or not. Search for CCC-Online annual offerings to find out what courses are offered and when.

What are standard training practices/operations at other institutions (ie: SFCC, curriculum committees)?
Mentoring/training is occurring.

Mike Anderson asked why MCC wasn't on the list for requesting for a 5 year extension on credentialing (for concurrent enrollment instructors). Carol thinks they are in compliance. Lamar is looking for an extension.

Recognition ceremony, Boyd Rodman, PCC

Retirement and farewell: Fred Boettcher, Claudia Romero, Ken Harrell

Election of new officers – Secretary, Chair, Co-Chair

Boyd Rodman remains Chair of SFCC

Scott Thompson remains Co-Chair of SFCC

Beth Lattone will become the new Secretary of SFCC

Adjournment

Boyd Rodman Adjourned the meeting at 11:42am.
