Application

This guideline applies to the state system of community colleges.

Principle

The "AU" grade will continue to be included in the grading policy. Audit is a registration status in Banner. "AU" is automatically posted as the grade.

Guideline

Students must choose the audit option by census date so that colleges can reconcile the COF file. Students need to be informed that the COF stipend cannot be used for "audit" courses. If students change to the audit status following initial enrollment they will be responsible for the entire in-state tuition, not just the student portion. Colleges may wish to consider suggesting the S/U grading option rather than audit because the COF stipend will be eligible for S/U courses but not for audit courses.
