ISSUED BY:

Dr. Geri J. Anderson, System Provost

Application

This guideline applies to the state system of community colleges.

Principle

Designates what grades will be acceptable for transfer to a Colorado Community College System (CCCS) college.

Guideline

"C" or better grades will be accepted in transfer. Individual colleges may choose to transfer "D" grades on a case-by-case basis. Individual colleges will determine by program whether a "D" grade may be used to meet degree or certificate requirements. Please note that even if a CCCS college accepts a D grade in transfer, it may nullify certain transfer agreements and does not guarantee that it will be accepted at other institutions of higher education.
