As the State Board for Community Colleges and Occupational Education (SBCCOE) Employee Benefit Trust, we care about you. That’s why we offer benefits that support your physical, emotional, and financial health.

Understanding your benefits and knowing how to use them is just as important as having access to them. Review this guide to learn about the benefits available to you for the 2020–2021 plan year (July 1, 2020, through June 30, 2021). Then, choose the options that are best for you and your family.
WHO IS ELIGIBLE

If you are an instructor or other variable hour employee and scheduled to work at least 30 hours per week and are not receiving a PERA retirement benefit, you are eligible for benefits on the first day you officially begin active employment. You are eligible for benefits if you met the benefit eligibility requirement during a CCCS defined measurement period.

Many of the plans allow you to cover your eligible dependents, which include:
- Your legal spouse, common-law spouse, civil union partner, or domestic partner.
- Your children to age 26, regardless of student, marital, or tax-dependent status (including a stepchild, legally-adopted child, a child placed with you for adoption, or a child for whom you are the legal guardian).
- Any dependent who is required by state insurance law to be covered or offered coverage under any insurance contract issued to the Trust for the SBCCOE benefit plans.
- Your dependent children of any age who are physically or mentally unable to care for themselves.

WHO PAYS

Some benefits are 100% paid by your employer, while others require that you contribute.

WHEN TO ENROLL

If you meet the eligibility requirements you may sign up for benefits or change your benefit elections at the following times:
- During your initial administrative period.
- During the annual benefits enrollment period: See page 4.
- Within 31 days of a qualifying life event: Benefits must begin on the date of the qualifying life event.

The choices you make at this time will remain the same through your benefit period. If you do not sign up for benefits during your measurement period, you will not be able to elect coverage during the remainder of your benefit period unless you experience a qualifying life event.
CHANGING YOUR BENEFITS

Because your premiums are collected post-tax, you can drop your insurance coverage at any time during the plan year.

However, if you drop your medical insurance coverage, you will not be eligible to enroll in the plan again until the next measurement period for which you are eligible, or unless you experience a qualifying life event.

Qualifying life events include, but are not limited to:
- Marriage, divorce, or legal separation.
- Birth or adoption of an eligible child.
- Death of your spouse or covered child.
- Change in your spouse or dependent’s work status that affects his or her benefits.
- Change in your child’s eligibility for benefits.
- Qualified Medical Child Support Order.
- Change in residence, work site, or work status that affects your eligibility for coverage.

To request a benefits change, notify Human Resources within 31 days of the qualifying life event. Change requests submitted after 31 days cannot be accepted. You may need to provide proof of the event, such as a marriage license or birth certificate.
MEDICAL INSURANCE

SBCCOE offers five medical plan options depending on where you live and/or work.

Before you enroll in medical coverage, take some time to fully understand how each plan works. Refer to pages 6 and 7 for an overview of the plan benefits.

BEFORE YOU CHOOSE A PLAN, CONSIDER THIS:

Are you able to budget for your deductible by setting aside pre-tax dollars from your paycheck in a health savings account (HSA)?

Consider the Anthem HDHP.

Do you prefer to pay more for medical insurance out of your paycheck, but less when you need care?

Consider the Anthem PPO BluePreferred or Anthem HMO BlueAdvantage.

Do you prefer the predictability of having a copay and no coinsurance for a visit to your primary care physician?

Consider the Anthem HMO BluePriority or Kaiser DHMO option.

KEY TERMS TO KNOW

Copay
A fixed dollar amount that you may pay for certain covered services. Typically, your copay is due up front at the time of service.

Deductible
The amount that you must pay each year for certain covered health services before the insurance plan will begin to pay.

Coinsurance
After you meet your deductible, you may pay coinsurance, which is your share of the costs of a covered service.

Out-of-Pocket Maximum
Includes copays, deductibles, and coinsurance. Once you meet this amount, the plan will pay 100% of covered services the rest of the year.
The table below summarizes the benefits of each medical plan.

The coinsurance amounts listed reflect the amount you pay. Please refer to the official plan documents for additional information on coverage and exclusions.

UNDERSTANDING THE ANTHEM HIGH-DEDUCTIBLE HEALTH PLAN

With a high-deductible health plan (HDHP), when you need care, you pay for all services out of your pocket (with the exception of preventive care) until you reach your deductible. The out-of-pocket maximum is the most you’ll pay in a plan year for services covered by your plan. Once this limit is reached, the plan pays 100% for covered services for the rest of the year. Don’t forget, medical plan deductibles and out-of-pocket maximums run on a plan year basis and reset July 1.

Don’t forget to bring your ID card to your appointment. Preventive care is covered at no cost to you even before you reach your deductible.

Appointment with provider. 

Don’t forget to bring your ID card to your appointment. 

You typically don’t need to pay anything at the time of service.

Your provider will bill Anthem.

Anthem will provide you with an EOB.* The EOB is not a bill.

Your provider will send you a statement that shows the amount you owe.

You pay the amount due with HSA dollars or out of your pocket.

Drop off your prescription at the pharmacy.

Show your ID card so that you receive the Anthem discounts.

The pharmacy will verify your coverage.

You pay the amount due with HSA dollars or out of your pocket.

Anthem processes the claim and sends you an EOB. The EOB is not a bill.

All of your medical and prescription drug payments count toward your annual plan year deductible and out-of-pocket maximum.

*Anthem will either mail an explanation of benefits (EOB) to your home or post on the Anthem portal.

Preventive care is covered at no cost to you even before you reach your deductible.
**In-network preventive care is free for medical plan members.**

The SBCCOE medical plans pay 100% of the cost of preventive care when received from a network provider. This means you won’t have to pay anything out of your pocket.

---

**WHAT IS PREVENTIVE CARE?**
The focus of preventive health care is to **PREVENT** illnesses, disease, and other health problems, and to **DETECT** issues at an early stage when treatment is likely to work best.

**WHY IS PREVENTIVE CARE IMPORTANT?**
It is important that you have a preventive exam each year—even if you feel healthy and are symptom free—in order to **IDENTIFY FUTURE HEALTH RISKS**.

**WHAT’S COVERED?**
Covered preventive services **VARY BY AGE AND GENDER**. Talk with your provider to determine which screenings, tests, and vaccines will be covered, when you should get them, and how often.

---

**SAVE MONEY ON YOUR HEALTH CARE**

**Choose an in-network provider.**
Choose an in-network provider and you’ll pay less out of your pocket. In-network doctors and facilities contract with the insurance company and agree to charge a lower price for services.

**Request an in-network lab.**
When your doctor orders a test, confirm that an in-network lab will be used. If your tests are sent to an out-of-network lab, you may incur **additional** out-of-pocket expenses.

**Check your explanation of benefits.**
After your appointment, review your explanation of benefits (EOB) and provider bill to confirm you were billed correctly.

---

Note: Some services are generally not considered preventive if you get them as part of a visit to diagnose, monitor, or treat an illness or injury. Please be aware that you will be responsible for the cost of any non-preventive care services you receive at your preventive care exam based on your plan design. Learn more about preventive care at [www.anthem.com](http://www.anthem.com) or [www.kp.org](http://www.kp.org).
MEDICAL INSURANCE

Know where to go for your health care.

Where you go for medical services can make a big difference in how much you pay and how long you wait to see a health care provider. Use the chart below to help you choose where to go for care.

- **Do you have a life- or limb-threatening medical emergency?**
  - YES
  - Do you have a routine issue such as a sinus problem, rash, or pink eye?
    - NO
      - Is your primary care doctor available?
        - NO
          - Go to the Emergency Room
        - YES
          - Use Telehealth or Dispatch Health
    - YES
      - Go to Your Primary Care Doctor or Dispatch Health

**Use Telehealth or Dispatch Health**

Telehealth provides you with care at home.
Make an appointment with a physician from your computer or phone by logging into www.livehealthonline.com or www.kp.org.
DispatchHealth will bring quality urgent care services to your home.

**Go to Your Primary Care Doctor or Dispatch Health**

For care during normal office hours, it’s usually best to go to your primary care doctor. He or she can provide follow-up care and refer you to a specialist, if needed.

**Go to an Urgent Care Center**

Urgent care centers typically don’t require an appointment and are often open in the evenings and on weekends. Plus, in-network urgent care centers are faster and much less expensive than the ER.

**Go to the Emergency Room**

In the case of a true medical emergency, go to the ER. At the ER, true emergencies are treated first, and other cases must wait—sometimes for hours. And, it will cost you a lot more to get care at the ER.
Anthem and Kaiser provide an opportunity for great health and exceptional care through many time-saving tools and resources to help you manage your health.

ANTHEM TOOLS AND RESOURCES

Healthcare without the hassle

- **Phone visit**: Speak with a registered nurse 24/7. Call the NurseLine at 800-700-9184.

Video visits through LiveHealth Online

- **See a board-certified doctor 24/7 with no appointment necessary**: Doctors are always available to assess your condition and send a prescription to the pharmacy you choose. It’s a great option when you have a common health issue like pink eye, a fever, or the flu. Get started at [www.livehealthonline.com](http://www.livehealthonline.com) or download the app.
- **Visit a licensed therapist in four days or less**: Have a video visit with a therapist to get help with anxiety, depression, grief, and more. Schedule your appointment online or call 888-548-3432.
- **Consult a board-certified psychiatrist within two weeks**: If you are over 18 years old, you can get medication support to help you manage a mental health condition. To schedule an appointment, call 888-548-3432.
- **DispatchHealth**: Urgent care dispatched to your home or work.
- **Prescription Drug List**: The Essential Drug List includes selected generic and brand name drugs. A list of drugs that are covered on the Essential Drug List is available at [www.anthem.com/pharmacyinformation](http://www.anthem.com/pharmacyinformation).
- **Anywhere Mobile App**: Download the Anthem Anywhere Mobile App to find a doctor, access your ID card and medical history, and compare costs of services.

KAISER PERMANENTE TOOLS AND RESOURCES

Healthcare options that fit your lifestyle

- **Expanded network of mental health providers**: Enjoy even more options for primary care and mental health providers.
- **Same-day/next-day prescriptions**: Save a trip to the pharmacy and get non-routine prescriptions delivered to your home.
- **DispatchHealth**: Urgent care dispatched to your home or work.

On-demand care—save time and money

- **Chat online**: Connect with a Kaiser Permanente doctor, therapist, pharmacist, or financial counselor through [kp.org](http://kp.org) or the KP mobile app for your health-related needs.
- **Phone and virtual visits**: Schedule a virtual visit or call a doctor 24/7 with the new on-demand phone and video options. To schedule an appointment, call 303-338-4545.
- **Email**: Log into [kp.org](http://kp.org) to email your primary care doctor or specialist directly.
- **myStrength app**: Mental health, wellness, and resiliency tools are at your fingertips. Visit [kp.org/selfcareapps](http://kp.org/selfcareapps) to register.
- **Kaiser Mobile App**: Download the Kaiser Mobile App on the App Store or Google Play.
If you enroll in the Anthem HDHP, you may be eligible to open and fund a health savings account (HSA) through Anthem Act Wise, or a banking institute of your choice.

An HSA is a savings account that you can use to pay out-of-pocket health care expenses with pre-tax dollars through payroll deduction. If you choose to open your HSA through Anthem Act Wise, it will be fully integrated with the Anthem member website. When you log into your Anthem account, you can view your HSA account balance, claims, pay a provider, reimburse yourself, and more.

2020 IRS HSA CONTRIBUTION MAXIMUMS
Contributions to an HSA cannot exceed the IRS allowed annual maximums.
- **Individuals:** $3,550
- **All other coverage levels:** $7,100
If you are age 55+ by December 31, 2020, you may contribute an additional $1,000.

HSA ELIGIBILITY
You are eligible to fund an HSA if you are enrolled in the Anthem HDHP and meet additional eligibility requirements. Refer to [www.anthem.com](http://www.anthem.com) for eligibility information.

Note: Pre-tax HSA contributions will not reduce your gross wage for PERA calculations. Your PERA pension is based on your taxable income over your three or five highest earning years (depending on your hire date). The more you make, the higher your pension payments will be. As you move closer to retirement, you should look at ways to maximize your PERA pension contributions.

MAXIMIZE YOUR TAX SAVINGS WITH AN HSA

**USE**
Use your HSA dollars today to pay for eligible health care expenses such as: deductibles, doctor’s office visits, dental expenses, eye exams, and prescriptions.

**SAVE**
Use your HSA to prepare for the unexpected. An HSA allows you to save and roll over money from year to year. The money in the account is always yours, even if you change health plans or jobs.

**INVEST**
The money in your HSA can be invested and grows tax-free—including interest and investment earnings. After you reach age 65, your HSA dollars can be spent without penalty on any expense.
SUPPLEMENTAL LIFE AND AD&D INSURANCE—COLORADO PERA

If you are an active Public Employee's Retirement Association (PERA) member, you have the option to purchase additional group life insurance through Unum/Colorado PERA. If you elect this coverage, your spouse and dependent children will automatically be covered as well. Spouse, wherever used, includes your civil union partner as recognized under Colorado law. However, child(ren) of domestic partners and civil union partners are covered as long as they are living with you (the PERA member) in a regular parent/child(ren) relationship and are dependent on you (the member) for their main support. You may enroll in PERA life and AD&D insurance within 31 days of becoming eligible or during open enrollment for this plan, which occurs annually from April 1 through May 31.

Retired and inactive PERA members who purchased this group life insurance prior to termination/retirement, and maintain their PERA account, may continue coverage in this plan.

- **Coverage amounts:** If you are a new employee and are enrolled in PERA, you may purchase up to four units of life/AD&D benefits for yourself, your spouse, and your dependent child(ren) during your initial enrollment period. The voluntary group life benefit is purchased in units of life/AD&D insurance and the coverage amounts are based on age. No more than four units of life/AD&D can be purchased.

- **Guaranteed issue:** If you elect coverage when first eligible, you may elect up to four units of life/AD&D without answering medical questions (evidence of insurability). If you elect to purchase coverage after your initial eligibility period, or if you wish to increase your coverage amount, you may be required to complete evidence of insurability.

If you elect supplemental coverage when you're first eligible to enroll, you may purchase up to the guarantee issue amount(s) without completing a statement of health (evidence of insurability). If you do not enroll when first eligible, and choose to enroll during a subsequent annual open enrollment period, you will be required to submit evidence of insurability for any amount of coverage. Coverage will not take effect until approved by Colorado PERA.
DISABILITY INSURANCE

Disability insurance is designed to help you meet your financial needs if you become unable to work due to an illness or injury.

PERA DISABILITY PROGRAM—PERA

PERA provides members enrolled in the defined benefit plan with five or more years of earned PERA service credit with a two-tier disability program AT NO COST. One tier is a short-term disability plan provided by Unum Life Insurance. The second tier is a PERA disability retirement benefit. Since the disability program is part of the PERA benefit structure, members are not charged a premium for this program.

**Short-Term Disability Insurance—UNUM**

STD insurance is designed to help you meet your financial needs if you become unable to work due to an illness or injury. Benefits will be reduced by other income.

- **Benefit**: 60% of your pre-disability PERA-includible salary (the amount paid may be reduced by other income)
- **Elimination period**: 60 days
- **Benefit duration**: Up to 22 months

**Disability Retirement—PERA**

The PERA disability retirement benefit is based on your highest average salary and earned, purchased, and in some circumstances, projected service credit. The monthly benefit continues as long as you continue to be totally and permanently incapacitated from regular and substantial gainful employment.

The requirements include the following:

- You are totally and permanently incapacitated and are not reasonably expected to recover from your disabling medical condition;
- Your medical condition prevents you from engaging in any regular and substantial gainful employment;
- You are medically unable to earn 75% of your pre-disability earnings from PERA-covered employment from any job for which you are or could be educated or trained; and
- You are not PERA retirement eligible.
The table below summarizes the disability insurance plans.

</table>
As an employee, you can direct dollars from your gross wages into your own voluntary retirement account.

When choosing this option, you can defer taxes on these dollars until they are withdrawn or you can choose to make after-tax retirement contributions into a Roth 403(b) plan. A penalty tax of 10% (plus normal income tax payments) will apply for early withdrawal unless one of the following conditions applies: death, disability, separation from service during or after the year you reach age 55, reaching age 59½, and hardship. In some cases, a rollover to another tax-deferred qualified plan is allowed by the IRS. Under the voluntary plan in 2020, you can direct up to 100% of your annual salary or $19,500, whichever is less, per year toward your retirement. In some cases, these limits may be higher. A catch-up provision allows anyone over the age of 50 to contribute an additional $6,500. PERA DB service time may be purchased with dollars from any of the following voluntary retirement plans.

COLORADO PERA 401(k) PLAN
Colorado PERA offers a 401(k) tax deferred plan that includes: 17 no load PERAChoice diversified funds in which you may invest, allows loans against your account, separate contribution limits in addition to 457 limits, a stable value fund that provides a fixed interest rate, the PERAChoice Capital Preservation fund, managed account service offered through Voya, a self-directed brokerage option with TD Ameritrade, and account rollovers from outside retirement plans such as 401(k), 403(b), 401(a), 457. Funds may be used to purchase service credit with PERA.

COLORADO PERA 457 DEFERRED COMPENSATION PLAN
The Colorado PERA 457 Plan benefits include the following: no 10% early withdrawal penalty, separate contribution limits in addition to 403(b), 401(k), and IRA limits, 17 no load PERAChoice diversified funds in which you may invest, allows loans against your account, a stable value fund that provides a fixed interest rate, the PERAChoice Capital Preservation fund, managed account service, offered through Voya, a self-directed brokerage option with TD Ameritrade, and account rollovers from outside retirement plans such as 401(k), 403(b), 401(a), 457. Funds may be used to purchase service credit with PERA.

For more information on the PERA plans, please call 800-759-7372 and select Option 1, or visit www.copera.org.

SBCCOE 403(B) PLANS
SBCCOE provides three separate 403(b) supplemental retirement plans. Each 403(b) plan provider offers a variety of investment options that comply with our plan. To participate, contact the plan provider of your choice and enroll. Then contact your Human Resources department to set up the payroll deductions. All 403(b) plans include provisions for loans, hardship withdrawals, eligible rollover contributions, eligible rollover distributions, and the ability to use funds to purchase service credit with PERA. The VALIC and MetLife 403(b) products allow ROTH contributions.

403(b) plan providers include:
- MetLife: visit www.metlife.com or call 877-638-3279 and select option 1, 2, and 3
- TIAA: visit www.tiaa.org or call 800-842-2252
- AIG Retirement Services: visit www.aig.com/retirementservices (formerly VALIC Financial Advisors, Inc.) or call 800-426-3753
The table below summarizes the supplemental retirement plans in a side-by-side comparison.

| To Enroll | Contact plan carrier and enroll, or Contact your Human Resources department for a payroll deduction form. | | |
Employee assistance program (EAP) services are provided to you and your household members AT NO COST through Colorado State Employee Assistance Program (C-SEAP).

This is a confidential program available to help you and your family members handle the stresses involved with everyday issues and/or crisis situations.

- The services are accessible through toll-free phone calls and online access.
- Each member can receive up to six counseling sessions, per incident, per year.
- No personal information is ever shared with your employer.

I’m in over my head. I wish I had someone to talk to.

I need help finding care for my mom.

I am struggling after the loss of a loved one.

This free EAP can support you. Call the CSEAP at 303-866-4314 or visit www.colorado.gov/cseap.
LEAVE OF ABSENCE
You can continue insurance coverage while on an approved paid or unpaid leave of absence, including but not limited to:
- Short-term disability and long-term disability.
- Family and medical leave under the Family and Medical Leave Act (FMLA).
- Military leave under the Uniformed Services Employment & Reemployment Rights Act (USERRA).
During leave, you will continue to pay your share of the benefit plan premiums, and your employer will continue to pay its appropriate share. Contact your Human Resources office for details as some exceptions may apply.

COLLEGE INVEST 529
SBCCOE offers employees a free, voluntary benefit of saving for college with a 529 plan. This is a convenient way for you to save for your child(ren)'s college. This is not a payroll deduction; it’s simply a direct deposit.

ASSIGNMENT AND PAYMENT OF BENEFITS
No benefit payable under the SBCCOE benefit plan(s) can be assigned, transferred, or subject to any lien, garnishment, pledge, or bankruptcy. However, a participant may assign benefits payable under this plan to a provider or hospital pursuant to the terms of the certificate. Ultimately, it is the participant’s responsibility to pay any hospital or provider. If the benefit payment is made directly to a participant, for whatever reason, such payment shall completely discharge all liability of the SBCCOE benefit plan(s), the SBCCOE, and the colleges/agencies. If any benefit under the SBCCOE benefit plan(s) is erroneously paid to a participant, the participant must refund any overpayment.

THIRD PARTY REIMBURSEMENT AND SUBROGATION
If you or a covered dependent receive benefits under the SBCCOE benefit plan(s) for injury, sickness, or disability that was caused by a third party, and you have a right to receive a payment from the third party, then the SBCCOE benefit plan(s) has the right to recover payments for the benefits paid. If you recover any amount for covered expenses from a third party, the amount of benefits paid by the SBCCOE benefit plan(s) will be reduced by the amount you recovered.

In making a claim for benefits from the SBCCOE benefit plan(s), you and your covered dependents agree that the SBCCOE will be subrogated to any recovery, or right of recovery, you or your dependent has against any third party, and that the SBCCOE will be reimbursed and will recover 100% of any amount paid by the SBCCOE benefit plan(s) or amounts which the SBCCOE benefit plan(s) is otherwise obligated to pay. You also agree that you will not take any action that would prejudice the SBCCOE benefit plan(s) subrogation rights and will cooperate in doing what is reasonably necessary to assist the SBCCOE benefit plan(s) in any recovery.
