Coverage amount for members will be doubled in the event the loss is due to a covered accident. Benefit amount payable is based on the insured individual's age at the plan anniversary prior to or coincident with the date of loss.

Rates may be subject to change.

Guaranteed issue

If you enroll within 90 days of your initial eligibility or during annual enrollment, you can apply for up to four units of term life insurance, without providing evidence of insurability. However, if you apply at any other time, any amount elected will be subject to satisfactory evidence of insurability.

Effective date of coverage

Your effective date of coverage will be the first of the month following receipt of the first premium payment following the date you enroll and are approved for coverage. Coverage will not be issued until we receive the first premium payment.

Delayed effective date of coverage

Dependent: Insurance coverage will be delayed if your dependent is totally disabled on the date that insurance would otherwise be effective.

Exception: Infants are insured from live birth.

Totally disabled means that if, as a result of an injury, a sickness or a disorder, your dependent is confined to an institution or at home for medical treatment, the dependent's insurance will not be effective until the attending physician releases the dependent from confinement.

Changes to coverage

Each year you will be given the opportunity to change your life coverage. You may purchase up to four units of life coverage without evidence of insurability. The suicide exclusion will apply to any increase in coverage.

Limitations/exclusions

Life insurance benefits will not be paid for deaths caused by suicide in the first 24 months after your effective date of coverage. Additionally, no increased or additional benefits will be paid for deaths caused by suicide occurring within 24 months after the day such increased or additional insurance is effective.

If you have an injury or sickness, you may be unable to port your coverage; however, under the conversion provision, you may be able to convert your term life coverage to an individual life insurance policy. See your plan sponsor's policy or summary of benefits for details.

Accidental Death & Dismemberment (AD&D) coverage

Full benefit paid for loss of:

- life
- both hands, or both feet, or sight in both eyes
- one hand and one foot
- one hand or one foot and the sight in one eye

Other losses may be covered as well. Please see your plan administrator.

AD&D limitations/exclusions

Accidental death and dismemberment benefits will not be paid for losses caused by, contributed to by, or resulting from:

- disease of the body;
- diagnostic, medical or surgical treatment or mental disorder as set forth in the latest edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM);
- suicide, self-destruction while sane, intentionally self-inflicted injury while sane or self-inflicted injury while insane;
- war, declared or undeclared, or any act of war;

- active participation in a riot;
- committing or attempting to commit a crime;
- the use of any prescription or non-prescription drug, poison, fume or other chemical substance unless used according to the prescription or direction of your doctor. This exclusion does not apply to you if the chemical substance is ethanol;
- intoxication — "being intoxicated" means your blood alcohol level equals or exceeds the legal limit for operating a motor vehicle in the state where the accident occurred.

Termination of coverage provision for life and AD&D

Your coverage and your dependents' coverage under the summary of benefits ends on the earliest of:

- the date the summary of benefits or plan is cancelled;
- the last day of the period for which you made any required contributions;
- the last day of the month coincident with or next following the date you withdraw your PERA member account;
- for dependent coverage, the date of your death.

In addition, coverage for any one dependent will end on the earliest of:

- the date your coverage under a plan ends;
- the date your dependent ceases to be an eligible dependent;
- for a spouse, the date of a divorce or annulment.

Unum will provide coverage for a payable claim that occurs while you and your dependents are covered under the policy or plan.
