**VI. Academic Affairs Presented by Barbara McDonnell, CCCS**

- a. FRCC has received a grant to work on Guided Pathways.
- b. In a conference call with HLC, the HLC said they would consider five year extensions (2022) for the “Masters plus 18” requirement for concurrent teachers. If the extension is desired, a college must submit their plan to HLC for approval. Discussion followed on this topic and how hard it is, in some cases, to fill jobs with qualified candidates.
- c. Several candidates were interviewed yesterday for the permanent Provost.
- d. On Nov. 3 there was a meeting involving Lumina and CDHE about Guided Pathways.

**VII. Scott’s told the group that the Gen. Ed. Council**

- a. created a PLA “Constituent Review Team” to come up with some agreement on cut scores. They will report at the next CCHE meeting that a cut score of 3 for AP and 4 for IB for Gen. Ed. courses (not for courses in a major) was agreed to. The commissioners will act on this recommendation at their meeting.

**VIII. The AA/AS change recommended at the last SFCC meeting:**

- a. A motion to re-recommend this change for both AA and AS passed unanimously.

**IX. Angie told the group that meetings must**

- a. last at least six hours to qualify for meals. In recent meetings, SFCC has not met for that length. So, unless there is a long agenda that Boyd thinks might make for a longer meeting, lunch will no longer be provided. SFCC feels that the shorter meetings are a result of increased efficiency and improved policies.

**X. Course archiving will be a part of the December meeting.**

**XI. The next SFCC meeting is scheduled for Dec. 11, 2015.**

Minutes respectfully submitted by,

Fred Boettcher
