7. gtPathways	Scott Thompson	<p>Initial gtPathways will not be voted on. Only revisions will be voted on this September. Competencies have been changed. On hold until corrected. Could be as long as a year.</p> <p>We were required to review courses every 5 years and there has been no review. Some are over 10 years old.</p> <p>Gen Ed Council is working on this review.</p> <p>Liberal Education and Americas Promise (LEAP) – our competencies need to line up with LEAP and will help with future accreditations.</p>
8. Academic Affairs	Jerry Migler	<p>Need a credit hour policy, to cover contact hours. Strong connection to common course numbering.</p> <p>We have at least 10,000 courses in our system now (including archived courses). Of those, 6000 courses are active right now.</p> <p>Max financial aid credits is 60 credits, therefore, more direct pathways are driving our programs and transfer of courses.</p>
9. Refresher on AS Degree requirement discussion	Jerry Migler	   CCCS-Genral-Liberal- AA-Degree.docx CCCS-Genral-Liberal- AS-Degree.docx Associate in Science Degree Requirements <p>Degrees of designation may not meet our AA requirements. Need to look at requirements of AA and AS degrees.</p>

		<p>Financial Aid will only pay what's in the degree plan/program. Scribe (instructions written in Banner) currently have 3 different ways colleges are setting guidelines of how gen ed courses are required. We need to come up with one way.</p> <p>Put together a taskforce to begin discussions. Bring to the 2:2</p>
10. AP Credit and Cut Scores	Jerry Migler	 <p>Colorado Standard AP Exam Credit and Cut S</p>
11. GE Council	Jerry Migler	Make sure your institution sends the right people to help out.
12. Prior Learning Assessment	Jerry Migler	<p>New name of Prior Learning. Assurances that learning is comparable to college level learning. Students that didn't bring in prior learning have higher graduation rates (per CALE).</p> <p>Market those who have skills and haven't completed a degree or certificate. New market of students for degree completion.</p> <p>Military learning – ACE process</p> <p>Alternative Credit project – ACE working with other sources (non-profit, for profit, college level coursework) looking for institutions which would accept for credit.</p>
13. SFCC kudos	Jerry Migler	Jerry leaves the system in September. Kuddos to the SFCC group.
